Hand and Facial Towel

It provides a combination of softness and durability. Constructed from 100% cotton and expertly designed, it is perfect for professional environments such as hotels, spas, Turkish baths, and dormitories. Offered in a range of weights and sizes to accommodate diverse requirements.

Hotel Hand Towel 200g / Unit

This 50x90 cm hand towel is crafted from 100% cotton 16/1 yarn. Its lightweight design facilitates rapid drying, while its soft texture provides comfort for everyday use. It represents an economical and practical option for hotels and comparable professional environments.

Hotel Hand Towel 250g / Unit

This 50x90 cm towel is crafted from 100% cotton 20/2 ring yarn. Its plush texture ensures exceptional absorbency. The soft surface offers comfort for everyday use. With its robust construction, it represents a hygienic and enduring option for hotels and comparable professional settings.

Hotel Bath Towels

It represents an optimal selection for professional applications. With its 100% cotton composition, it provides exceptional comfort for guests in hotels, spas, and comparable lodging environments. Offered in various sizes and weights to accommodate diverse requirements.

Hotel Bathroom Towel 450g / Unit

This 70x140 cm towel is crafted from 100% cotton 16/1 yarn. Its lightweight design facilitates rapid drying, while its soft texture provides comfort for everyday use. It represents both an economical and practical option for hotels and comparable professional environments.

Hotel Bathroom Towel 600g / Unit

This 90x150 cm towel is crafted from 100% cotton 16/1 yarn. Its substantial weight offers enhanced fullness and a luxurious texture. It is perfect for individuals seeking comfort and quality in spas, hotels, and upscale accommodations.

Hotel Foot Towel

It presents a comfortable and hygienic solution for post-use. With its 100% cotton composition, it ensures comfort for guests in hotels, spas, and comparable professional settings. Available in various sizes and weights, it offers alternatives to meet diverse requirements.

Hotel Foot Towel 180g / Unit

This 50x70 cm towel is crafted from 16/1 yarn, providing a lightweight, quick-drying, and exceptionally absorbent fabric. Weighing a mere 180 grams, it is ideal for daily use, representing an economical and practical choice.

Hotel Foot Towel 250g / Unit

This 50x70 cm towel, crafted from 20/2 ring-spun yarn and composed of 100% cotton, provides enhanced durability and comfort. Weighing a mere 250 grams, it is perfectly suited for professional environments such as hotels and spas.

Single Hotel Bed Linen

Its design ensures a comfortable sleeping experience in accommodation settings. With its 100% cotton composition, it presents a hygienic and visually appealing solution for hotels, guesthouses, and similar professional environments. Various sizes and yarn options provide alternatives to meet diverse requirements.

Single Bed Sheet, 60 Thread Count

These sheets, offered in sizes of 160x240 cm and 180x280 cm, are crafted from polycotton fabric with a thread count of 60. Their soft texture and ease of ironing render them perfect for daily hotel use. They are both durable and cost-effective, providing comfort and practicality.

Single Bed Sheet 63 Thread Count

These sheets, offered in sizes of 160x240 cm and 180x280 cm, are crafted from 100% cotton fabric with a thread count of 63. Their dense weave imparts a more substantial feel. Featuring a soft texture and easy-to-iron characteristics, they present a comfortable and durable option for hotel use.

Double Hotel Bed Linen

It features a breathable cotton composition, ensuring both hygienic and visually appealing use in hotels, guesthouses, and comparable lodging environments. A range of sizes and yarn selections is available to accommodate diverse requirements.

Double Bed Sheet with 60 Thread Count

This 240x280 cm sheet is crafted from polycotton fabric with a thread count of 60. Its robust construction and lightweight texture provide both economical and functional utility. Easy to iron and designed for longevity, it serves as a practical and dependable solution for hotel applications.

Double Bed Sheet with 63 Thread Count

This 240x280 cm sheet is crafted from 100% cotton fabric with a thread count of 63. Its soft texture and smooth surface ensure a comfortable sleeping experience. The easy-to-iron design and durability make it a stylish and dependable option for hotel textiles.

Hotel Pillowcase

It provides comfort and hygiene. Its breathable structure ensures long-lasting and practical use in hotels, dormitories, and guesthouses. With a stylish appearance, it enhances the bedding arrangement and elevates the guest experience. We offer tailored solutions with various size and yarn density options.

Hotel Pillowcase 60 Thread Count

50x70 cm, 60-thread count, plain white polycotton pillowcase provides a comfortable sleeping experience with its soft texture and minimalist design. Its breathable composition guarantees a fresh and hygienic atmosphere in hotels and comparable establishments. Easy to iron and resilient, it is ideal for frequent use; a choice that is both aesthetically pleasing and functional.

Hotel Pillowcase 63 Thread Count

50x70 cm, 63-thread count plain white cotton pillowcase provides a comfortable sleeping experience with its soft texture and minimalist design. Its breathable composition guarantees a fresh and hygienic environment. Easy to iron and highly durable, it is ideal for frequent use, making it both an aesthetically pleasing and functional option.

Double Hotel Mattress Protector

Waterproof Pillow Cover

Hotel Duvet

It provides a comfortable sleeping experience in these environments. With various sizes and filling options, it guarantees durability in hotels, dormitories, and guesthouses. Its silent operation and optimal temperature regulation enhance guest comfort. It presents practical solutions with alternatives appropriate for different seasons.

Single Hotel Comforter

155x215 cm microfiber hotel duvet provides a comfortable sleeping experience in accommodations, featuring a soft surface and lightweight filling. Its breathable design effectively regulates body temperature, ensuring prolonged and silent use. Easily washable, its robust construction renders it suitable for frequent use, making it both an aesthetically pleasing and functional option.

Double Hotel Comforter

195x215 cm microfiber hotel duvet ensures a comfortable sleep experience in accommodations, featuring a soft texture and lightweight design. Its heat-regulating, breathable surface delivers a refreshing and tranquil atmosphere. With a durable and easy-to-clean construction, it is well-suited for frequent use, making it both a stylish and practical choice.

Hotel Bedspread

Available in a range of sizes and fabric options, it offers year-round comfort in hotels, dormitories, and guesthouses. Its durable and soft texture guarantees long-lasting use. The aesthetic appeal enhances the overall accommodation experience. With its ease of maintenance, it serves as a practical and hygienic solution.

Single Hotel Bedspread

160x230 cm hotel bedspread provides a stylish and comfortable option for accommodations, featuring a large checkerboard pattern and a lightweight texture. Its breathable design effectively regulates body temperature, rendering it appropriate for year-round use. Easy to launder and constructed from durable fabric, it represents an aesthetic and functional choice for high-traffic environments.

Double Hotel Bedspread

bedspreads, available in dimensions of 180x280 cm and 230x230 cm, feature a large checkered pattern that combines aesthetic appeal with comfort in hospitality settings. Their stylish design and lightweight construction enhance their usability in accommodation areas. The breathable fabric effectively regulates body temperature, making them suitable for year-round use. Additionally, their durable material allows for easy washing, rendering them a practical option for high-traffic environments.

Hotel Robe

It provides versatile applications. With various size and fabric options, it delivers style and comfort in hotels, spas, and guesthouses throughout the year. Its durable and soft texture guarantees longevity. Its aesthetically pleasing design enhances the overall accommodation experience. Additionally, its easy-care feature makes it a practical and hygienic solution.

Hotel Robe

pique hotel bathrobes provide a chic and invigorating experience in hospitality due to their lightweight and breathable fabric. This breathable design maintains a cool sensation against the skin, rendering them perfect for the spring and summer seasons. Their soft texture and extensive size options guarantee comfort. Easily laundered and crafted from durable materials, they are appropriate for prolonged use; a visually appealing and practical selection.

Hotel Robe

terry hotel bathrobes provide warmth and comfort in accommodations due to their thick and soft texture. Their superior water absorption makes them perfect for the autumn and winter months. Available in a diverse array of sizes for optimal comfort, these bathrobes are easy to wash and durable, making them a long-lasting, hygienic, and practical choice.
